

Asia Pacific Paper Directory 2022

The comprehensive guide to the mills, merchants, agents, suppliers of machinery, equipment and materials and converters throughout the Asia Pacific region.

The Asia Pacific Paper Directory offers a unique overview on the market development of the paper industry in this region. Up-to-date trade and company news and the corresponding company profiles provide essential information for deciders of these markets.

Comfortable database research and database export functions support users while searching for trade and professional information regarding selected producers, raw material suppliers, converters, service companies, merchants, suppliers, institutions and trade press.

A-Z Sections:

There are five main sections providing company data. All entries in each section are listed alphabetically by country and then by company.

Each section provides you with access to international companies in the following industry sectors; Mills, Merchants, Agents, Suppliers of Machinery, Equipment and Materials, and Converters.

Each entry contains comprehensive information on the company you wish to contact, including address, principal contacts, telecommunication details, products and services.

A-Z Buyers' Guide

Most sections are followed by a buyers' guide. This helps you to locate the company that provides the particular product or service you require quickly and easily. Entries also indicate the country where the company is based and their contact details.

Brand Names and Watermarks

A list of brand names and watermarks of Merchant and Converted Product Manufacturers. A quick and easy to use reference, indicating the section of the directory where the required product appears.

Trade Associations

An alphabetical listing of association worldwide. All entries are listed alphabetically by country and then by country.

Master Index

(i) Master Index of Companies. This is a complete alphabetical list of every company listed, cross referenced with page numbers.

(ii) Master Index to Buyers' Guide sections. A comprehensive A-Z index enabling you to easily locate the Products & Services you require.

Published by API, the Directory is an essential reference tool for all who are involved in the paper industry.
