

The Asia Yearbook 2022

The definitive one volume guide to all the East, South, and South East Asian countries, providing invaluable economic, political, statistical and directory data.

This comprehensive survey of the countries of East, South and South-East Asia, fully revised to reflect current economic and political developments, is an essential resource for the entire Asian region.

Fully revised and updated, The Asia Yearbook is a superb the only one-volume guide to provide such extensive coverage of the political, economic and social affairs of this vast region. It is an essential reference source for anyone with professional interest in this important world area.

The Yearbook is

- Essential for anyone with a professional interest in the region
- Keeps up-to-date with current economic and political developments

The Asia Yearbook 2022 covers major domestic political developments, the foreign policy and socio-economic trends throughout Asia – all related to developments in one calendar year. The Yearbook contains articles on all Asian countries, each of the three sub-regions (East, South and South-East Asia) focusing on major cross-border developments and sub-regional organizations. While the articles have thorough academic quality, the Yearbook is mainly oriented to the requirements of researchers, academic, public, and business libraries, and to governments, corporations, the media, organizations and anyone needing up-to-date information.

The Yearbook has

- Over 500 pages of economic and demographic statistics, wide-ranging directory material and authoritative articles
- Contributions from leading experts on Asian affairs
- Incisive analysis of the latest available information.
- Directory of Asian organizations, research centres and foundations.
