

Asian Electronics Directory 2022

**The comprehensive Guide to Asia's
Electronic Manufacturers & Products!**

The market potential of the Asia's electronics sector is enormous and business opportunities abound. However, unravelling the maze of who's who, and who does what is a daunting task.

The Asian Electronics Directory has been thoroughly researched, to bring you a completely up-to-date guide to Asian's ever-changing electronics industry.

Essential for those doing business throughout Asian, this directory is the most comprehensive directory covering all of the electronics companies. The Directory is unique in that it will keep you in touch with the latest knowledge of the entire electronics industries across the whole of Asian.

If you need to source from, or sell to Asian, the new Asian Electronics Directory will provide you with thousands of fresh business contacts - and help you keep track of old ones – quickly and easily.

This one directory covers the entire electronics industries sector in Asian.

Entries typically provide: company name; address; telephone, telex and fax numbers; names of senior management and board members, including senior executives; description of business activities; brand names and trademarks; and subsidiaries and associates.

This Directory will be useful in businesses that deal specifically with companies in the electronics.

The Asian Electronics Directory will enable you to:

- Profile a market
- Build new business prospects
- Pinpoint key executives
- Generate new customers
- Discover who your competitors are
- Make vital contacts
- Save the time, money and effort of doing your own research
- Identify alternative suppliers and manufacturers
- Source up-to-date company information
- Access a wealth of quality information on companies and key personnel.

Whether you are a product manager, in charge of marketing or simply interested to remain in touch with the latest developments in the Asian electronics industry, this Directory will save you time and effort in finding the up-to-date information you need.

For just US\$375.00 The Asian Electronics Directory gives you instant access to a wealth of accurate information on thousands of major companies.

Look at the information you'll get in the Asian Electronics Directory:

- address
- telephone, fax numbers
- email, website
- names of senior management and board members
- senior executives
- description of business activities
- subsidiaries and associates
- number of employees
- and more

6 Great Reasons to order your copy of the Asian Electronics Directory:
