

ENERGY COMPANIES OF THE ARAB WORLD 2022

This Directory remains an authoritative source of information on oil & gas companies throughout the Arab world!

Energy Companies of the Arab World 2022 covers hundreds of companies in the Middle East and North Africa involved in electrical and power generation; fuel distribution; natural gas supply; oil and gas exploration and production; and oil and gas services.

Entries typically provide: company name; address; telephone, and fax numbers; names of senior

management and board members, including senior executives; description of business activities; and subsidiaries and associates.

The Directory includes a comprehensive index and an index listing company names alphabetically by country. **This Directory** will be useful in businesses that deal specifically with companies in the oil and gas industries.

This Directory will enable you to:

- * **Profile** a market;
- * **Build** new business prospects;
- * **Generate** new customers;
- * **Discover** who your competitors are;
- * **Make** vital contacts;
- * **Save** the time, money and effort of doing your own research;
- * **Identify** alternative suppliers and manufacturers;
- * **Source** up-to-date company information;
- * **Access** a wealth of quality information on companies and key personnel.

6 Great Reasons to order your copy of Energy Companies of the Arab World:

1. **Save time:** no need to search the Internet, all the information you need is in one handy guide;
2. **Save money:** by using a resourceful book that details all your business contacts activities;
3. **Stay abreast of your industry** – quickly and easily;
4. **Source the right trader/producer:** by identifying products quickly;
5. **Discover new business leads:** and grow your business;
6. **Update your contact list:** from the most reliable source in the industry.

Features of this Directory:

- * Company name, address, telephone and fax numbers, email and web addresses
- * Full description of business activities
- * Subsidiaries and associates
- * Number of employees
- * Principal shareholders and public/private status

This Directory has been especially compiled to assist with market research, strategic planning, as well as contacting prospective clients or suppliers. It is also an indispensable guide to the Arab world's energy companies.

This Directory is indexed in three ways to make searching quick and easy. Indexes are listed alphabetically by country, alphabetically by company name and by business activity. **Invest in a copy today!**
