

THE EUROPEAN TELECOMMUNICATIONS DIRECTORY 2022

Keep up-to-date with Europe's Telecommunications Industry and discover thousands of new business leads with this top source of information on Telecommunication companies throughout Europe!

The European Telecommunications Directory 2022 is one of the most comprehensive and accurate Directory of companies and executives in the European telecommunications industry that have ever been published. It contains thousands telecommunications companies and executives working in the industry.

This powerful Directory is your connection to key decision-makers in the telecommunications industry in Europe. **This Directory** enables telecom executives, organization officials, communications professionals, researchers, and other users to identify and compare both the traditional telecommunications offerings of established carriers as well as the many new systems and services under development in this era of high technology and deregulation. The market potential of the European tele-

communications sector is enormous and business opportunities abound. However, unraveling the maze of who's who, and who does what is a daunting task. Here's the solution you've been looking for . . .

The European Telecommunications Directory has been thoroughly researched, to bring you a completely up-to-date guide to Europe's ever-changing telecommunications industry. If you need to source from, or sell to Europe's telecommunication industries; or, if you're looking to break into this appealing market, **the new European Telecommunication Directory** will provide you with thousands of fresh business contacts – and help you keep track of old ones – quickly and easily.

This one directory covers the entire European telecommunications industry sector.

This Directory will enable you to:

- * **Profile** a market
- * **Build** new business prospects
- * **Pinpoint** key executives
- * **Generate** new customers
- * **Discover** who your competitors are
- * **Make** vital contacts
- * **Save** the time, money and effort of doing your own research
- * **Identify** alternative suppliers and manufacturers
- * **Source** up-to-date company information
- * **Access** a wealth of quality information on companies and key personnel

6 Great Reasons to order your copy of the European Telecommunications Directory:
