

Global Directory of Distilleries 2022

This innovative directory provides details on thousands of distilleries in 150 countries around the world, and includes very comprehensive information on company addresses, telephone, email, web - site contact details, parent companies, contact persons and titles, feed stocks, product types, brand names and production capacities.

Alcoholic beverages are produced in a variety of ways and the distilled products are presented to the market in combination with a vast number of ingredients to achieve the rich array available in different parts of this world. Indeed, the size and scope of this directory is evidence of the size of the industry.

Consequently, it is important that distilleries and the ancillary industries should have available a comprehensive directory which gives the fundamental information needed in their everyday business.

- This directory will be invaluable to many people in, or associated with, the alcohol distilling industry, including:
 - Agents, brokers and wholesalers looking for new sources of supply of various types of alcohol
 - Distillery owners seeking to form alliances with producers in other countries
 - Companies marketing distillation equipment, suppliers and services to the distilling industry
 - Persons seeking to pursue or advance a career in the distilling industry.

The directory is supplemented with review articles by leading experts, together with worldwide statistics on alcohol production and an extensive glossary of terms used in the alcohol distilling industry.
