

DIRECTORY OF ENVIRONMENT & CLIMATE CHANGE FOUNDATIONS 2021

The comprehensive guide to foundations, trusts, grant-making NGO's and other similar non-profit institutions involved in funding environment and climate change activity worldwide!

This comprehensive newly revised directory lists every major national and international foundations, NGOs and other charitable and grant-making organizations involved with funding environment and climate change projects worldwide.

All of the major established foundations and NGOs are included, as well as some of the less well-known grant-making organizations. Presenting names and contact details for hundreds of institutions, this new edition is the most comprehensive and up to date information on this growing sector.

Entries are arranged alphabetically, and are listed within individual country chapters. Tens of thousands of entries are listed, providing the following details:

- * directory information, including the name of the organization, postal address, email and internet addresses as well as telephone and fax numbers;
- * full details of the date of establishment and the aims and function of the organization, where appropriate, as well as its principal activities: projects and programmes, etc.

Restrictions on grants are listed along with the geographical area of activity, finances, key executives and trustees of the organization.

As a crucial source of grants, studies, research, and other not-for-profit services, **the Directory** will help you find everything you need to know about funding for your project.

The Directory is an important reference resource to organizations, public and academic libraries, NGOs, charities and other grant-making and grant-seeking organizations and institutions concerned with, or interested in, the environment and climate change worldwide.
