

ASIA PACIFIC FERRO-ALLOY DIRECTORY 2021

**Need to find a supplier or buyer anywhere in Asia?
Access thousands of companies instantly with the
Asia Pacific Ferro-Alloy Directory!**

Wherever you sit in the Ferro-Alloy supply chain, this directory is an essential business tool!

If you need to find a supplier of, or trader, in Ferro-alloys, it can be a time-consuming task. In recent times new company start ups, mergers, acquisitions, joint ventures, technological advances, have changed the shape of the industry considerably.

This new directory reflects the influx of new players into the industry – on both the producing and trading side. These new players have been attracted by increased steel production and high Ferro-alloy prices, especially in the emerging markets, such as in China and India, where the Ferro-alloys industry is fragmented and contains hundreds of small producers.

Why waste valuable time searching the internet for these new contacts when we've done the hard work for you?

Simply order this directory today and save yourself time and money.

The Asia Pacific Ferro-Alloy Directory 2021 contains details of Asia's producers and traders of all Ferro-alloys and ores and concentrates. Wherever you sit in the Ferro-alloys supply chain, this directory is an essential business tool.

If you're a producer, trader, or consumer; or if you're involved in plant equipment, shipping or warehousing; this new directory includes details on all the key contacts in **the Asia Pacific Ferro-Alloys** marketplace.

- * **Producers** – find out where you fit within the industry and discover new opportunities to expand your business;
- * **Traders** – source new suppliers instantly, by product;
- * **If you are in the service sector supplying the metals industry** – in shipping, warehousing, assaying or plant manufacturing, this is the definitive source of potential new clients for your goods and services;
- * **If you're a steel mill or other end-user** – discover who the best Ferro-alloy suppliers are and make sound purchasing decisions.
