CHINA METALS, MINERALS & STEEL COMPANIES DATABASE 2021

This Database is the top sources of information on thousands of Metal, Mineral, & Steel Companies throughout China!

The pace of change in the Chinese metals, steel, stainless steel and minerals industry is far greater than the global industry average. As the world's biggest consumer and producer of many metals the Chinese market is more important than ever to the global industry.

The **China Metals, Minerals & Steel Companies Database** has been comprehensively researched and prepared, to bring you a fully up-to-date guide to China's rapidly growing metals and non-metallic industries. This Database will be extremely useful to businesses that deal specifically with companies in the iron and steel, aluminum, non-ferrous metals and industrial minerals.

This Database will enable you to:

- * **Profile** a market;
- * **Build** new business prospects;
- * **Generate** new customers;
- * **Discover** who your competitors are;
- * **Make** vital contacts;
- * **Save** the time, money and effort of doing your own research;
- * **Identify** alternative suppliers and manufacturers;
- * **Source** up-to-date company information;
- * **Access** a wealth of quality information on companies and key personnel.

Why spend thousands of hours searching for new contacts? For just US\$275.00 the China Metals, Minerals & Steel Companies Database gives you instant access to a wealth of accurate information on thousands of companies.

Look at the information you'll get in the China Metals, Minerals & Steel Companies Database:

- * Full company contact details;
- * Web and email addresses;
- * Names of key management and trading personnel;
- * Locations of offices, sales offices and overseas sales agencies;
- * Subsidiary companies;
- * Company activities;
- * Materials/products handled
- * And there's more!

This exciting new Database covers everything you need to know about the non-ferrous, ferrous, and mineral companies of China.

Benefit also from being able to:

- * Target **New Leads** and watch them quickly turn into sales;
- * Obtain **current contact details** and put together a complete and accurate profile of your customers and prospects;
- * Identify coverage and gaps in the market and **stay ahead of your competitors**;
- * Find new and alternative suppliers and manufacturers and **assess cost-saving opportunities for your company**;
- * **Edition all contact data** from the CD-Rom as many times as you want.

This Database has been especially compiled to assist with market research, strategic planning, as well as contacting prospective clients or suppliers. It is also an indispensable guide to China's metals, minerals and steel industries.

Whether you are buying or selling metals, minerals or steel products to China, this new Database will make a very worthwhile investment.
