

C.I.S. FERRO-ALLOY DIRECTORY **2021**

The comprehensive annual guide to Russian, Ukrainian and Central Asian Ferro-Alloy companies, including contact details, senior management, products, and plants!

This new directory reflects the influx of new players into the industry – on both the producing and trading side. If you need to find a supplier of, or trader, in Ferro-Alloys, it can be a time-consuming task. In recent times new company start ups, mergers, acquisitions, joint ventures, technological advances, have changed the shape of the industry considerably.

The C.I.S. Ferro-Alloy Directory contains details of Russian, Ukrainian and Central Asian producers and traders of all Ferro-alloys and ores and concentrates.

Wherever you sit in the Ferro-Alloys supply chain, this directory is an essential business tool. If you're a producer, trader, or consumer; or if you're involved in plant equipment, shipping or warehousing; this new directory includes details on all the key contacts in the C.I.S. Ferro-Alloys marketplace.

- Producers – find out where you fit within the industry and discover new opportunities to expand your business;
- Traders – source new suppliers instantly, by product;
- If you are in the service sector supplying the metals industry – in shipping, warehousing, assaying or plant manufacturing, this is the definitive source of potential new clients for your goods and services;
- If you're a steel mill or other end-user – discover who the best Ferro-alloy suppliers are and make sound purchasing decisions.

Countries covered:

Armenia, Belarus, Kazakhstan, Kyrgyzstan, Moldova, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan.

This essential guide to the C.I.S. Ferro-Alloy industry contains full contact details for companies and personnel in the industry, including:

- Company name and head office address;
- Telephone/fax numbers and email/web addresses;
- Names of senior management and other key personnel;
- Year established, activities and products handled;
- Type of ownership, subsidiaries and associates;
- Products produced or traded
