

# EUROPEAN ALUMINIUM DIRECTORY 2021

**Access thousands of companies instantly  
with the European Aluminum Directory!**

**D**esigned to be used by those in the industry who need accurate, up-to-date, detailed information on all the key players around the world, buyers, suppliers or customers can easily be found by purchasing **the European Aluminum Directory 2021**.

Why spend hours searching the internet for new contacts and business partnerships when you can have fast, easy access to the most up-to-date and comprehensive industry guide around?

The aluminum recycling segment continues to face challenges of tight margins and industry fragmentation - resulting in companies going out of business, being taken over, or new ones stepping in to fill the gap. In such a fluid industry, your need for up-to-date aluminum market intelligence is a significant factor for your company's future success in this industry.

Why spend countless business hours searching the internet for new contacts and business partnerships?

Find new buyers, suppliers or customers easily, by investing in **the European Aluminum Directory**.

**The European Aluminum Directory** has been completely re-researched for 2021. Each company, old and new, has been contacted individually to ensure the information contained in the new edition is accurate and up-to-date.

**For just US\$300**, you can have fast, easy access to the most up-to-date and comprehensive industry guide around, saving you hours of time when sourcing a new supplier, buyer or simply trying to re-establish a business relationship.

No more searching in vain for the contact information you need, - we've done the hard work for you. The new edition of the **European Aluminum Directory** will list more than 1000 companies who specialize in the production or trade of aluminum. Each company has been contacted direct - so you know the information we give is accurate.

**Producers, Traders, Suppliers the European Aluminium Directory 2021 will save you time and money if you are:**

- \* Involved in sourcing aluminium, alumina or bauxite;
- \* Sourcing new suppliers as a trader or consumer in the aluminium business;
- \* A producer looking for trade outlets to sell to;
- \* Involved in the service sector and looking for potential new clients for your goods and services;
- \* Monitoring your competitors and the aluminium marketplace.

**This new edition of the European Aluminum Directory lists producers and traders of aluminum worldwide and includes:**

- \* Full contact details for companies and key personnel in the industry, including phone, fax, Email and web address;
- \* Ownership, subsidiaries, associates and branch office details; \* Up-to-date expansion plans by company;
- \* Details of activities and materials produced or traded by company;
- \* A Buyers' Guide, with the producers and traders listed separately under their respective countries.

**Also includes a cross-referenced Index to help you find the right supplier for you quickly and easily:**

- \* An alphabetical index to companies, useful when you need to find updated information on one particular organization;
- \* A listing of key personnel by business area, helping you to track down that contact who's moved without telling you, or to access specific departments at companies.

**5 Great Reasons to order your copy of the European Aluminum Directory 2021:**

- 1. Save time**, no more searching the Internet, with the entire Asian Ferro-alloys producers and traders in one handy source;
- 2. The user-friendly A-Z Buyers Guide** means you can source the right supplier by product by country instantly;
- 3. Update** your contact list from the most reliable source in the industry;
- 4. Quickly find** management, sales and production contacts within companies;
- 5. Keep up-to-date** in an ever-changing industry.

Wherever you sit in the aluminum supply chain, this directory is an essential business tool! Whether you're a producer, a trader, or a consumer; or if you're involved in plant equipment, shipping or warehousing - this updated directory includes details on all the key contacts in the European aluminum marketplace.
