

METAL PRODUCERS OF THE WORLD DIRECTORY 2021

The best valued and most detailed Directory available. Metal Producers of the World gives you instant access to a wealth of accurate information on thousands of non-ferrous metals companies worldwide!

The Metal Producers of the World Directory is an invaluable guide for anyone wishing to source non-ferrous metals anywhere in the world and locate trading contracts or identify new business opportunities.

The Directory guides the reader through 4000 companies around the globe specializing in the production of non-ferrous metals and ferro-alloys.

The Directory lists companies by country, giving contact details and products handled, and also enables the reader to identify suppliers of any particular products.

Make sure you know who's who in the non-ferrous metals industry - refresh your market knowledge with this essential business tool.

This directory really is the cost-effective solution to your metals industry research needs.

Metal Producers of the World Directory is also available as a fully searchable CD-ROM. This fully cross-referenced database allows you to search for a particular producer by company, country, plant, number of employees or product, or any other specific criteria, quickly and easily. Your results can then be saved in other applications for further use in mailings or internal presentations. In addition it enables you to research your marketplace whilst waiting at the airport or traveling on the train and allows you to create niche market lists quickly. It truly is the ultimate database of world metal producers. You won't find a more comprehensive guide to the market anywhere!
