

North American Aluminum Directory 2021

Inside this Directory you can find information on producing and trading companies enabling you build a comprehensive database on the back of trusted and reliable data.

Inside this Directory you can find information on producing and trading companies from the USA and trading companies from the USA and Canada enabling you to build a comprehensive database on the back of our trusted and reliable data.

Wherever you sit in the aluminum supply chain, this directory is an essential business tool! Buyers, Suppliers or Customers can easily be found by purchasing the **North American Aluminum Directory**.

Why spend countless business hours searching the internet for new contacts and business partnerships?

Producers, Traders, Suppliers

The **North American Aluminum Directory** will save you time and money if you are:

- involved in sourcing aluminum, alumina or bauxite;
- sourcing new suppliers as a trader or consumer in the aluminum business;
- a producer looking for trade outlets to sell to;
- involved in the service sector and looking for potential new clients for your goods and services;
- monitoring your competitors and the aluminum marketplace.

No more searching in vain for the contact information you need, – we've done the hard work for you. The new edition of the North American Aluminum Directory comprehensively profiles companies who specialize in the production or trade of aluminum. Each company has been contacted direct – so you know the information we give is accurate.

Contact and Company Information

This new edition of the North American Aluminum Directory lists producers and traders of aluminum and includes:

- full contact details for companies and key personnel in the industry, including phone, fax, email and web address;
- ownership, subsidiaries, associates and branch office details;
- up-to-date expansion plans by company;
- details of activities and materials produced or traded by company;
- an alphabetical index to companies, useful when you need to find updated information on one particular organization;
- a listing of key personnel by business area, helping you to track down that contact who's moved without telling you, or to access specific departments at companies.

5 reasons to have your own copy of the North American Aluminum Directory:

- Save time when sourcing new suppliers;
- Quickly find management, sales and production contacts within companies;
 - A user-friendly A-Z Buyers' Guide helps you source the right supplier – whether it's a producer or trader, search by the product you need
- Know your market. North America's aluminum producers and traders in one handy volume;
- Excellent value for money - Where else could you source this depth of market intelligence in one handy directory?

Countries Covered: United States of America & Canada

Wherever you sit in the aluminum supply chain, this directory is an essential business too! Whether you're a producer, a trader, or a consumer; or if you're involved in plant equipment, shipping or warehousing - this updated directory includes details on all the key contacts in the North American aluminum marketplace.
