

Asia Pacific Plastics and Rubber Directory 2021

**The Only Pan-Asia Pacific Guide to the Plastics
and Rubber Manufacturers & Products!**

The Asia Pacific Plastics and Rubber Directory is a unique directory that will keep your company in touch with the Asia Pacific plastics and rubber industries across the whole of region.

This directory, which is firmly established as the reference tool for these industries, serves two major purposes.

Firstly, it is an essential buyer's guide allowing you to source the major players involved in materials, semi-finished products, machinery and ancillary equipment, processing and those offering consultancy and testing services. This makes identification and location of a product or service, and therefore supplier, as simple and quick as possible.

Secondly, you can utilise the information contained in the directory to focus your marketing strategy. The unique way the directory is put together will allow you to target a specific area of the plastics industry. Then, by cross-referencing with the Company Information section, you can access the company information essential to further your enquiry: address, telephone and fax numbers, e-mail and web-site addresses and key company contacts. Allowing you to reach the right person, the first time!

The Asia Pacific Plastics and Rubber Directory contains thousands of Asia Pacific companies, all individually contacted annually for up-to-date information about their business. As a result, this Directory is the most up-to-date and comprehensive guide to the Asia Pacific plastics market available.
