

The Middle East & North Africa Yearbook 2021

The definitive one volume guide to all of the Middle East and North African countries, providing invaluable economic, political, statistical and directory data.

The Middle East and North African Yearbook 2021 covers major domestic political developments, the foreign policy and socioeconomic trends in the MENA region – all related to developments in one calendar year.

The Yearbook contains articles on all Middle East and North African countries, each of the two sub-regions (Middle East, North Africa) focusing on major cross-border developments and sub-regional organizations. While the articles have thorough academic quality, the Yearbook is mainly oriented to the requirements of researchers, academic, public, and business libraries, and to governments, corporations, the media, organizations and anyone needing up-to-date information.

The Yearbook has

- Over 500 pages of economic and demographic statistics, wide-ranging directory material and authoritative articles
- Contributions from leading experts on MENA affairs
- Incisive analysis of the latest available information.
- Directory of MENA organizations, research centres and foundations.

Country Surveys
